## Post-Sale Upgrades

Winfrasoft Appliances ship on standard OEM server hardware which are generally upgradable post-sale. Upgrades may include CPU's, RAM, hard disks, NIC's etc on the condition that:

- (A) No device driver changes are made,
- (B) The hardware manufacturers warranty conditions are respected and that
- (C) The appliance is still being used for the original intended purpose.

## Hardware Upgrade Options

Winfrasoft offers a variety of upgrade options for the Forefront Appliance series including: Management hardware (iDRAC, iLo), FIPS compliant Hardware Security Modules (HSMs) and 10GbE Network adapters. Options vary based on Appliance platform manufacturer (Dell or HP) and regional availability. Please contact Winfrasoft Sales for further information.

## Notes:

- All prices exclude VAT. Prices are sourced in Pound Sterling £ (GBP), and thus the Euro (€) and US Dollar \$ (USD) price may vary from time to time based on exchange rates. Please check the latest price list at <http://www.winfrasoft.com/download/pricelistdownload.htm> or email [sales@winfrasoft.com](mailto:sales@winfrasoft.com) before placing any orders.
- Prices and conditions are subject to change without prior notice.
- Purchases are subject to the terms and conditions stated in Winfrasoft Corporation's Standard Terms and Conditions, which can be found online at <http://www.winfrasoft.com/download/termsandconditionsdownload.htm>.
- Please feel free to contact Winfrasoft to request a quote should your requirements exceed the listed number of Licences.
- If you require consulting services or assistance with implementation or solution designs please contact a Winfrasoft reseller or partner who can provide services and licences as a complete solution. Details are available on our web site at <http://www.winfrasoft.com/resellers.htm>.
